PRIVACY STATEMENT

Your privacy is important to us. You may visit our site and explore our products anonymously whenever you like.

When you make a purchase, we collect the information necessary to process and fulfill your order, such as your name, address, and billing information. We are the sole owners of the information collected on this site. We only have access to the information that you voluntarily give to us via e-mail, e-commerce, or other direct contact from you. We will not sell or rent this information to anyone.

We will use your information to respond to you, regarding the reason you contacted us. We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request for additional information or as is necessary to process and ship you your order.

Unless you ask us not to, we may contact you via e-mail or postal mail in the future to tell you about specials, new products or services, or changes to this privacy policy. You may opt out of any future contacts from us at any time. We use Constant Contact to maintain our e-mail list. All e-mails contain an opt-out procedure. You can contact us by e-mail or phone to check on the data we have on file about you. Change or correct the data we have on file. Have your name removed from our mailing list. Express any concerns you may have about our use of your data.

We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline. We use SSL technologies when we collect sensitive information (such as credit card data), that information is encrypted and transmitted to us in a secure way. You can verify this by looking for a "closed lock" icon at the bottom of your web browser, or looking for the "https" (secure server) at the beginning of the address on the web page. While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only the employees who need this information to perform a specific job (such as process & ship your order) are granted access to your personal information. The computers/servers in which we store your personal information are kept in a secure environment.
